

SHEPHERD CALL LIST 2011

Instructions: In the event that you would like the Shepherd's List to be activated please call Pastor Ron Garner either at the church office at 785-1829 or at home at 826-0248. If it is determined that the Shepherd's List does need to be activated Keith Brandt (465-1208), will then be notified, and in turn will notify the Moderator, Cheryl (735-5218), and the four Deacon Shepherds (A-D). You will then receive a call from the person whose name is above yours on this list and YOU in turn must then call the person whose name is below your name and pass on the important information. If you get an answering machine or no answer please leave a message or call back later, AND place a call to the person whose name is next on the list. Thank you.
